

4. Use the letter grid to help Pedro the patient puzzler to solve this riddle.

1	2	3	4	5	6	7	8	9	10	11	12	13
C	L	E	O	R	I	T	N	A	H	U	W	F
14	15	16	17	18	19	20	21	22	23	24	25	26
G	Z	K	X	P	D	S	Y	M	Q	V	J	B

Count the number of beats in each rectangle below.

Match the number with a letter in the grid above.

Write the letter from the grid that corresponds with the number of beats in **each** rhythm pattern.

E.g. = 2 beats. 2 is matched with the letter L above.

**How does a cool cat check that his violin is tuned exactly?**
