"Music Craft for Cool Cats - Preliminary Book B"

This is the 4th book in our Music Theory range and completes the Cool Cats Series for this level.

- * The AURAL component of the Music Craft Preliminary level; each book contains 2 audio CDs.
- * Whilst being geared towards the AMEB exam, the book is still perfectly suitable for general classroom tuition.
- * Activities are child friendly and fun to do.
- * Complete FREE teacher notes are available on the website – suggestions for getting the most out of this resource; suggestions for exam preparation and for how to take students beyond the syllabus.
